The Lonely Evangelist: How to Get Your Colleagues to See the Light

Susan Parker – Product Manager
August 23, 2016
Chicago Architecture Foundation  (*sunset tour!* )
Green Street Smoked Meats
### Conferences! (and Congresses!!)

#### Presentation Descriptions:

**Wed-Thurs General Sessions, Mon-Tues Training Days, Fri Gemba Day**

<table>
<thead>
<tr>
<th>Time</th>
<th>Panel/Session</th>
<th>Presenter, Organization</th>
<th>Length</th>
<th>Title</th>
<th>Summary</th>
<th>Track</th>
<th>Level</th>
</tr>
</thead>
<tbody>
<tr>
<td>WED 11:15</td>
<td></td>
<td>Kent Wallis and Carmen McDonald, Swinburne University of Technology; Steve Tindall, Universal Health Services of Delaware</td>
<td>45 mins</td>
<td>STE 115: Multi-Site Operations - Lean</td>
<td>The Multi-Site operations team oversees a high volume of patients while adhering to budgets and schedule. This is achievable through establishing a lean culture that utilizes Lean Tools to enhance patient satisfaction, demonstrating the success of the project and understanding the value of the entire process.</td>
<td>Leading Change in Design and Construction</td>
<td>Fundamental</td>
</tr>
<tr>
<td>WED 11:15</td>
<td></td>
<td>Jon Hopkins, The University of Texas at Austin; John McDonald, Swinburne University; Kim McDonald, Innovative Horizons</td>
<td>45 mins</td>
<td>Lean for the Next Generation</td>
<td>The team will showcase how Lean concepts have influenced the design and built environment. The team will also discuss the lessons learned from the implementation of Lean tools and techniques.</td>
<td>Leading Change in Design and Construction</td>
<td>Fundamental</td>
</tr>
<tr>
<td>WED 11:15</td>
<td></td>
<td>Natalie Davis, STG Partnership; William Sherman, Oregon Health Science University; Veli Inanoglu, Thomason, ZGF Architects</td>
<td>45 mins</td>
<td>Test of the Water and Return for Feedback: Meet the Big Mosquito, Understanding our Future</td>
<td>In this session, the design team will present their early findings from a field study on user preferences and feedback from patients and healthcare professionals.</td>
<td>Leading Change in Design and Construction</td>
<td>Fundamental</td>
</tr>
<tr>
<td>WED 11:15</td>
<td></td>
<td>Reza Hornik, New York University; Lauren Cantor, New York University</td>
<td>45 mins</td>
<td>How to Find the Design Iteration Early With Articulate: Product</td>
<td>In this session, the design team will present their process for identifying early design iterations and engaging stakeholders in the design process.</td>
<td>Leading Change in Design and Construction</td>
<td>Fundamental</td>
</tr>
<tr>
<td>WED 11:15</td>
<td></td>
<td>Stacey Hopper, Skanska; John O'Connor, Davis Langdon; John Wilson, Skanska</td>
<td>45 mins</td>

<td>The panel will discuss the use of Lean tools and techniques in engineering projects.</td>
<td>Leading Change in Design and Construction</td>
<td>Fundamental</td>
</tr>
<tr>
<td>WED 11:15</td>
<td></td>
<td>John Dill, 3E Group</td>
<td>45 mins</td>
<td>Creating a Culture of Collaboration</td>
<td>In this session, the panelists will explore the importance of building a culture of collaboration in healthcare design.</td>
<td>Leading Change in Design and Construction</td>
<td>Fundamental</td>
</tr>
</tbody>
</table>

*Note: The sessions cover various aspects of design and construction, focusing on Lean methodologies, team collaboration, and innovative practices.*
Conferences! (and Congresses!!)
But back at home…
A Structured Approach to Lean

1. Principles
   - Just-in-time
   - Transparency

2. Methods
   - Visual Planning

3. Tools & Activities

*inspired by This Is Lean by Modig & Ahlstrom
Visual Planning is effective because…

✓ Our brains work faster with visual information

✓ Pictures convey richer information than dense sentences of technical text

✓ Shared ownership of the plan through teamwork

✓ Democratization of information
Newforma LeanPlanner spreads your message by…

✓ Reflecting your company’s processes and culture
✓ Encouraging reluctant or tech-averse team members
✓ Providing structure, repeatability, and common language
✓ Engaging team members across time zones and geography
✓ Infusing a little bit of fun for those who like technology
See you in Chicago! Booth 21
