

## Design Forum Speaker Toolkit

The LCI staff is absolutely thrilled to have you presenting at the 2021 Lean in Design Forum! As a speaker we highly encourage you to use your social media networks to motivate your connections to attend this year's Design Forum. You will see sample posts below that we hope you will copy and share on your profiles. Additionally you will find this year's event graphics sized for each social media platform.

### **Sample Posts**

Make plans to join me at the 2021 LCI Lean in Design Forum! I will be speaking at this year's virtual event and hope that you decide to learn alongside me this year. The #LCIDesign21 Forum theme is Managing, Adjusting and Innovating through Disruption: Accelerating Forward! – I look forward to engaging in sessions around this year's theme. For more information about the event click here: <https://www.leanconstruction.org/events/2021-lean-in-design-forum/>

The 2021 LCI Lean in Design Forum will be taking place from May 19-20, 2021. I will be speaking at this year's event, my presentation title is **insert your presentation title here**. I am very excited to engage as a speaker with my colleagues and other professionals – I highly encourage you to attend this year's Design Forum as well!
