Jason Klous; Mani Poshdar; Rob Leicht

A Publication of the Lean Construction Institute (<http://www.LeanConstructionJournal.org>)

COPYRIGHT TRANSFER

Present title: _____

Author(s): _____

I hereby transfer exclusively to the Lean Construction Institute, all rights granted to me by the copyright laws of the United States of America and other countries, subject to the specifications and reservations below.

1. The transfer of copyright is effective upon acceptance for publication of the work in the *Lean Construction Journal (LCJ)*.
2. The author(s) reserve all propriety rights (such as patent rights, figures, etc.) in this work as published other than the copyright transferred to LCJ by this document.
 - a. Any use of the work titled above for commercial purposes (by consulting and for profit entities) requires the explicit written approval of the author(s) and LCJ. A fee may be assessed for such use.
3. The work of the author(s) is licensed under the Creative Commons Attribution-Noncommercial-No Derivative Works 4.0 Unported License (<https://creativecommons.org/licenses/by-nc-nd/4.0>).
4. The author(s) of this work in LCJ are permitted to reuse the content for any other publication they desire. The following restrictions apply:
 - a. With the explicit identification of prior publication in LCJ, the author(s) of the work titled above can republish, reproduce, and/or reuse said work partially or in its entirety for a new publication, an educational class, and/or a professional outreach activity.
 - b. Publishers approaching authors to republish, reproduce, and/or reuse the entirety of work titled above must be directed to request permission from the Lean Construction Journal editors.
5. If the work titled above is:
 - a. Entirely or partially in the public domain, owned by state or federal government entities, the author(s) warrant that they have the rights to authorize its publication.
 - b. Subject to security clearance, the authors certify that as of the date below it has been cleared with the relevant entity.
6. The copyright rights extended to the author(s) in this document do not exclude any rights other entities may have based on the extent required by contract with the author(s) [employment contracts; grants and contracts; etc.].
7. The authors warrant that the above work has not been previously published, or if it has, that they have obtained permission for its publication by LCJ editors and credited the original publication and copyright owner.
8. The authors warrant that they have explicit written permission to use any images, graphics or other information that is copyright of other authors. (LCJ reserves the right to ask authors to produce this information).
